Announcements

1. Welcome to week nine! I hope you all had a restful 4<sup>th</sup> of July holiday and are ready for the final push into our concert season. Following tonight's rehearsal, we will load the trailer for tomorrow's performance. **I will also need a few volunteers to travel back to SBRHS following the performance tomorrow night to bring back equipment. Thank you in advance for those of you that can help!**
2. **IMPORTANT ANNOUNCEMENT** – I have been asked to speak in front of the Bristol Town Council Wednesday during the same time as the rehearsal. Therefore, I WILL NOT BE AT REHEARSAL! Jarrod Russell, our guest conductor, Westport High School Band Director and SBRHS Hornline Technician will run both the EBSYE and EBSWE rehearsals. Please give him the same attention and hard work during rehearsal as you give me. I thank you in advance for your cooperation. Following the rehearsal, we will load the trailer. It will be in the student parking lot and my wife will be here with the key. If my portion of the meeting is concluded in time, I should be here before rehearsal ends to deliver the trailer to the back of the school. If not, the equipment must be brought down to the parking lot for loading. We must be out of the school by 9:45 p.m. Thank you for your help and I cannot wait to see you Thursday for our performance at the Veterans' Home!
3. **Tubas, Euphonium, Percussion and all those yet to have supplied a snack**, please bring a snack for next week's break. As always, I will provide the beverages. The band room has limited space so we will need to be sure to be neat and clean up after ourselves.
4. **BAND App.** We were very successful in using the BAND app to disseminate information quicker and more efficiently to you last year! Documents, calendars, weekly announcements, and up-to-date information will be available now in this one application rather than checking the website, email, Facebook, and paper documents. The BAND App is completely free to use! You can download the BAND App on our iPhone, Android device, or access it on your computer by going to **band.us**. I suggest that you set it up on a computer first and then download the app once you have an account established. The name of our BAND group is **East Bay Summer Wind Ensemble** and you can open an invitation by entering <https://band.us/@ebswe>
5. **Our next performance is Thursday, July 12, 2018 at the NEW Rhode Island Veterans' Home located at 480 Metacom Avenue - Bristol, RI 02809. The concert will take place indoors, so no worries about weather postponements for this one.** If you are able to help unload the equipment trailer with us, please arrive for 5:00 p.m. Please remember to bring a wire music stand in addition to your music and equipment. Also, remember that the concert attire is the EBSWE polo and black bottoms. Times are listed below
